February 2010

Happy Valentine's Day!

*I saw a child who couldn't walk, sit on a horse, laugh and talk.
Then ride it through a field of daisies and yet he could not walk unaided.*

I saw a child, no legs below, sit on a horse and make it go through the woods of Green and places he had never been to sit and stare, except from a chair.

*I saw a child who could only crawl, mount a horse and sit up tall.
Put it through degrees of paces and laugh at the wonder on our faces.*

I saw a child born into strife, take up and hold the reins of life and that same Child was heard to say...

...Thank God for showing me the way.

Horse Update

Our horses have had a nice long break and are ready to get back to work. There have been a few changes out in the barn. Toy, Zip and Bella have gone to live at other farms and Giennie has gone back to his original owner. We will be able to still use them when we need them. We appreciate all that they have done for us and we will miss being greeted by them every morning.
