## HORSEPOWER Volunteer E-News Letter Volume 2 Issue 3 March 2010

### Horse Spotlight

**TRADER** is an 11 year old gelding. He is a Varnished Roan, Appaloosa horse. He was donated to HORSEPOWER in 2003 by Kevin Powell. Trader is one of the younger horses in the barn. He is great with beginner riders as well as those that are more advanced.

### Spring I 2010

Classes got off to a great start! This is one of the first sessions that I almost have every class filled with volunteers. But there is still time to sign up for a class. We are still in need of a few permanent sidewalker and leaders and I can always use substitutes. Please email or call Jess at [volunteer@horsepower.org](mailto:volunteer@horsepower.org) or 931-1424 if you are interested in sidewalking or leading!

We still have a lot of items and gift cards that did not sale at the auction. Check out the website or call the office to get a full list of the items.

*"Open Your Heart" with HORSEPOWER and make a difference in someone's life.*

### Gala Update

*Rain nor sleet nor snow could delay this year's event. We greeted old friends and welcomed new faces. By evenings end our circle of friends had grown and past bonds strengthened. The efforts of all who "opened their heart" with HORSEPOWER will set the stage for dreams to come true for both kids and adults alike who come to our farm to experience life sustaining moments. Moments where disabilities don't matter and where favorite horses, instructors and volunteers come together, and the rest of the world is left outside the arena gate. Thanks to all of our supporters and donors we raised \$22,000 that will be used to fund our "ride to thrive" ridership program!*

*Thanks to all who attended, donated items, volunteered, and supported our wonderful 14<sup>th</sup> annual gala and silent auction!*
